If I am accepted as a Black Belt Teacher Corps Teach for Alabama Scholarship recipient, I understand I will receive a \$2,500.00 stipend each semester of full time enrollment (up to a maximum of \$10,000.00) for my four semesters at the Junior or Senior or Alt.-A level within the UWA College of Education. I understand this scholarship is awarded to me based upon my commitment to be certified to teach in an Alabama Black Belt region public school, a designated Alabama rural public school, or a designated high-needs Alabama public school for my contracted years of service, the completion of a Black Belt Teach for Alabama school-based Service Project, and the attendance of Black Belt Teacher Corps Teach for Alabama trainings and events. I understand I will be required to sign a Black Belt Teacher Corps Teach for Alabama Contract Agreement and failure to do so will result in dismissal from the program. If I am accepted as a Black Belt Teacher Corps Teach for Alabama Scholarship recipient and change my mind to complete the Black Belt Teacher Corps Teach for Alabama requirements, I understand I will be required to repay any scholarship monies received within a thirty-six (36) month period.

Service Commitment

I understand I will be required to show documentation of my years of teaching service to the UWA College of Education and the Black Belt Teacher Corps Teach for Alabama Director and Coordinator. There will be a sliding scale of the service teaching time required based upon the amount of scholarship awarded. Interns receiving one semester of scholarship funding (\$2,500.00) must commit to teach for one (1) full calendar year within twelve (12) months of certification and receive ALSDE certification within six (6) months of the originally expected graduation date. Seniors receiving two semesters of scholarship funding (\$5,000.00) must commit to teach for at least two (2) full calendar years within twelve (12) months of certification and receive ALSDE certification within six (6) months of the originally expected graduation date. Those receiving three (3) or four (4) semesters of scholarship funding (up to \$10,000.00) must commit to all of the same stipulations, but the commitment to teach is for at least three (3) years. Full scholarship recipients (\$10,000.00) will also complete an Alabama public school/community service project (\$1,000 granted to use as start-up money).

Leadership and Professional Training

I understand I will participate in local, state, and national workshops and conferences.
Black Belt Teach for Alabama School Service Project

Alabama Public School/Community Service Project

I understand I may be required to complete a School Service Project in an Alabama Black Belt region public school, a designated Alabama rural public school, or a designated high-needs Alabama public school. This Service Project will take place during my clinical/field experiences or clinical practice/internship. I will be given \$1,000 as a start-up fund for this project from the Alabama Legislature. I agree to communicate with the Black Belt Teacher Corps Teach for Alabama Director, Coordinator, school Principal, district Superintendent, and UWA faculty to ensure the completion of this Service Project.

I have read the above requirements and I agree to implement these requirements if selected.
