

INSPIRE – A Robert Noyce Teacher Scholarship Program

Undergraduate Scholarship Application

The College of Natural Science and Mathematics and the College of Education at the University of West Alabama have partnered with Beville State Community College and Coastal Alabama Community College on Project INSPIRE – Implementing Novel STEM Practices in Rural Education. INSPIRE is a Robert Noyce Teacher Scholarship Program. This program, offered through the National Science Foundation, is a response to the critical need for K-12 teachers in the areas of science, technology, engineering, and mathematics.

Applicants must be students at The University of West Alabama, or have completed application to UWA.

In addition, applicants must provide:

1. An essay, 300-500 words in length, discussing the applicant's background and desire to pursue a STEM teaching career and how INSPIRE support would assist them in their pursuit.
2. Three letters of reference are required addressing the applicant's character and abilities.

Deliver all materials to Dr. John McCall at:

INSPIRE Scholarship
College of Natural Sciences and Mathematics
University of West Alabama Station 2
Livingston, AL 35470

Email submission is acceptable. Address emails to:

jmccall@uwa.edu

For full consideration, applications must be received by March 31, 2020.
